It was asked if anyone present wanted to volunteer for the post, but no-one came forward. It was agreed that we would all seek out, and talk to possible candidates. Vivien suggested an overlap would be helpful for any new incumbent to “learn the ropes”.</p> <p>Liz suggested putting a note in the Parish magazine, although the ideal candidate would be from the present committee, or a regular attendee. Nan asked if Alison would stay on the committee, and Alison said Yes. Steve suggested that it might be an idea to break down the role that the current chair, and past chair: Gary, had been doing, which could be a little time consuming, and have the role of chair more as a traditional chair, planning and conducting meetings, with other roles shared around according to need.</p> <p>Alison said she would draw up a list of activities and the committee would discuss at next meeting.</p>	<p>All</p> <p>Alison</p>

12	A.O.B. Chris D said that although she knew it was not a CDCA topic, but as she had not seen or heard any follow up on the telephone kiosk she wanted to mention that she thought it would be better to keep the phone box for use in emergency rather than have the expense of the defibrillator, reliant as it was on a trained person being in the right place when needed. There was general agreement. Steve and Lorna asked that we all spread the word re. barbecue and brunches. Lorna stated that there are now 102 names to support the proposed village shop.
